UNDER 15 BOYS AND GIRLS ZONE TEAMS 2023 COACH/MANAGER HANDBOOK

INTRODUCTION

The following guidelines have been prepared by Lacrosse SA to assist Coaches and Team Managers of the State, Zone and Representative Teams to better understand their rights and responsibilities whilst overseeing players and other personnel attached to the team.

This guide has been prepared in two distinct sections, one for the Coach and another for the Team Manager.

When an extraordinary situation arises, which has not been covered within these guidelines, the Coach or Team Manager should notify the Executive Officer of Lacrosse SA on (08) 8355 3350 or 0418 835 909 for guidance.

The roles of Coach/Assistant Coach and Team Manager are demanding but very rewarding. You have an opportunity to be a pivotal component in representing South Australia and developing our players. Lacrosse SA hopes that your involvement with the team will be successful, rewarding and above all fun for all concerned.

BACKGROUND

Each year, Lacrosse SA nominates girls and boys zone teams to compete in the Lacrosse Australia National Tournaments. There are four National Tournaments/Championships per year which state representatives from South Australia attend. These are:

- Under 15 National Tournament
- Under 18 National Championship
- Senior National Championship
- National Indoor Championship

South Australia nominates representative teams to the Under 15 Tournament, to provide a greater opportunity for players from across the state to compete in national events. South Australia nominates 3 x girls and 2 x boys teams to the Under 15 National Tournament.

The Under 15 Girls and Boys zone teams will compete in the 2023 LA Under 15 Boys and Girls National Tournament, from Wednesday, 27 September 2023 – Tuesday, 3 October 2023, in Ballarat, Victoria.

The team will:

- Comprise of only eligible Lacrosse SA affiliated players.
- Provide opportunities for all athletes to develop their abilities, athleticism and knowledge throughout the trial/selection period, preparation period and in competition.
- Adhere to a preparation schedule determined by the Head Coach with an emphasis given to both discipline and performance.
- Promote a balanced approach to lacrosse and allow for personal, club, state and national team obligations.
- Compete with exceptional sportsmanship, with the best interest of the game and Lacrosse SA at the forefront of their mind.

- Provide equal playing time for all juniors, regardless of their ability.
- Design and communicate an appropriate and balanced set of selection criteria.

UNDER 15 BOYS AND GIRLS ZONE TEAMS 2023 COACH/MANAGER HANDBOOK

COACH GUIDELINES

Lacrosse SA will arrange the venue/s and dates for team selection, allowing appropriate time for selection and preparation before Tournaments/Championships.

SELECTION PANEL

For all zone team selection trials, the selection panel will consist of 3 selectors including the team coach and two selectors as appointed by the Board of Lacrosse SA. All selectors must have Working With Children Check in place as required by Lacrosse SA before appointment.

Selection panel members will be required to declare any conflict of interest in relation to the player selection process they have been assigned to. A register of conflicts will be managed by the Executive Officer. This conflicts register will be available for review by the Board of Lacrosse SA.

Selectors and coaches will not discuss selection matters outside official selection meetings, without the express permission of the convenor of selectors. Contravention of the confidentiality will lead to removal from the selection panel.

Lacrosse SA is responsible for notifying all players of their selection or non-selection into the final team.

PLAYER ELIGIBILITY

No player shall be selected who either:

- Has not played four games for a club during the season in which the State/Zone game is being played, or who does not agree in writing to play four games.
- Has an outstanding debt to Lacrosse SA.
- Does not have transfer and/or clearances.
- Is an overseas visitor.
- Residency requirements are not within Lacrosse Australia's Tournament rules.
- Who has not participated in the minimum required selection trials.
- Must be 12 as at the 1st January in the relevant year (LA minimum age requirement). HOWEVER – LSA's selection policy is that selection preference will be given to girls and boys currently playing in LSA U15 competition teams, who are not eligible for LSA U13 competition teams.

If, in exceptional circumstances a coach wishes to select an Under 13 competition player or players, a submission must be made (in writing) in advance of final selection for that player/s to be considered eligible for selection. This must be presented to the Executive Officer, who will make the final decision, in consultation with the Coach.

Under no circumstances should any indication of selection be given to any player prior to this process and/or the final ratification of the team.

Any player who has been suspended from club competition may also be ineligible to participate in a State/Zone Tournament team. Any players who fall within this category should be referred to the Executive Officer.

TRIALS FOR SELECTION

The selection process is conducted over a minimum of three trials where performance at trials will be taken into consideration by the selection panel.

- Attendance at selection trials is compulsory and all players must attend a minimum of 2 out of 3 trials. In special circumstances an exemption may be granted to a player.
- Trial dates and times for all age groups will be set through liaison between the zone team coach and the Executive Officer.
- Information regarding trial dates, times and venues will be circulated as soon as practicable to all Clubs and advertised through Lacrosse SA's website and Facebook page. Any difficulty in attending should be conveyed immediately to the Executive Officer in writing.
- Lacrosse SA in consultation with the Head Coach will organise player sheets and statistics copies to selectors prior to each trial.
- Elimination of players during the trial period will be made, if necessary, at the discretion of the Executive Officer and wherever possible, players will be notified that they have not met the eligibility criteria.

OVERRIDING FACTORS

- In considering the performance of players at trials under this policy, the Board of Lacrosse SA may, at their discretion, give weight to extenuating factors.
- Players unable to attend trials required under this policy, must advise the Executive Officer in writing of this fact and the reasons therefore, at least 7 days prior to the commencement of the trials.
- If a player has not been selected in a squad due to unforeseen or extenuating circumstances and it becomes apparent that the player has been unduly disadvantaged, ie. has not been given a fair and equal opportunity, the Board of Lacrosse SA in discussion with the Head Coach reserves the right to add that player to the appropriate squad, for the duration of the selection period, even if the maximum number of players has been filled.

Lacrosse Australia sets the number of players allowed in each team:

Boys – Maximum of 17 players per team - Must include at least 2 players from each of a minimum of 3 teams from the Member Association's relevant age competition, drawn from a maximum of 4 clubs from a region.

Girls – Maximum of 16 players per team - When 2 teams are selected they must be selected equally balanced, not 1 team stronger than the other.

SELECTION CRITERIA

The coach together with the appointed selection panel will use a range of defined objective and subjective parameters to identify the best team from the players who attended the minimum required selection trials.

There are many different attributes that in combination make a successful player and a successful team. The evaluation of these attributes requires an understanding of:

- What is being measured?
- How is it being measured?
- Is the measurement valid?
- Are the evaluation criteria fair?
- Are the evaluation criteria valid?
- Do the selectors understand the evaluation criteria?

There are various tools for assessing players at trials, but they all fall into one of two categories: Objective and Subjective.

OBJECTIVE MEASURES

These are measures with definitive data, such as timed run speed, throwing speed, strength, agility, rules knowledge etc.

SUBJECTIVE MEASURES

These are based on comparative observations, such as a player looks faster than another player, how well a player appears to read the game etc.

Subjective measures are harder to quantify and test, however they are still valid. To assist in the selection process, it is suggested that selectors skew towards objective measures.

Selection data sheets should be generated and kept until after the Tournament, at which time they should be destroyed. These are confidential documents, and access must not be provided to people who are not authorised.

TEAM SELECTION ANNOUNCEMENT

Once all checks have been completed to ensure the player is eligible for selection the Coach in consultation with the selectors and Executive Officer selects the best team to represent South Australia at the National Tournament.

The selection of all team members must be ratified by the Board of Lacrosse SA.

Lacrosse SA announces the selection of all teams following formal ratification from the Board of Lacrosse SA. All players and their parent/guardian will be sent an email with either selection or non-selection into the team. In some cases, the coach will request alternates to be named.

UNDER 15 BOYS AND GIRLS ZONE TEAMS 2023 COACH/MANAGER HANDBOOK

TEAM CAPTAINS

All team members, including the Captain/Co-Captains selection, must be ratified by the Board of Lacrosse SA.

It is a privilege and honour to be a team captain. Captains are leaders and play a pivotal role in the success of the team. They have a strong influence in many areas both on and off the field. Captains need to be prepared to cope with their responsibilities and the challenges of the role. Captains must always lead by example. Captains should show: humility, integrity, discipline, be positive, confident, and good communicators.

At the end of the Tournament, the team captain/s should personally thank all of the volunteers who have committed many hours of hard work preparing and supporting the team to perform at their best.

REQUEST FOR APPEAL

A player may request a review of any given selection decision by submitting a request for an appeal including the grounds for a review to the Executive Officer within five working days of the announcement of the relevant selection decision.

The request for the appeal must state the grounds for review, or why the selection decision should be changed. It must specifically address issues regarding how the player was evaluated under situations that put them at a distinct disadvantage to other players being evaluated.

The Lacrosse SA Board shall appoint an Appeals Panel to determine the appeal.

All requests for appeals must be submitted in writing, and may be submitted by post, email or facsimile:

Post: Executive Officer, Lacrosse SA, PO Box 246, West Beach, SA, 5024

Email: office@lacrossesa.com.au

Fax: (08) 8355 3360

Requests for appeal via post need to ensure they are post marked no later than five working days following the official announcement of the relevant selection decision of the squad or team. Requests for appeal via facsimile or email must be received within five working days.

If a request for appeal is lodged via email or facsimile, contact should immediately be made with the Executive Officer to confirm receipt of the email.

It should be remembered that in general an appeal will only be considered if the selection policy was not adhered to, or the player was not given 'fair' and 'equal' opportunity during the selection process.

An appeal will not be heard, just because a player or a representative of the player thinks that the player is better than, or more deserving than a named player.

ALTERNATES

The alternate players make a large contribution to the teams' competition preparation. Alternate named players should continue to train with the team until the team departs for the Tournament. On some occasions alternate players are required to fill team positions of injured players. Continuing to train as an alternate player in the squad is a personal development opportunity to train with players at the highest level.

HOW ALTERNATES BECOME TEAM MEMBERS

Alternates can be elevated into the team in place of a selected team member through:

- Injury or Illness
- Breach of discipline, including failure to observe any relevant Lacrosse SA policies, the Lacrosse SA Code of Behaviours
- Breach of Anti-Doping Policy: Any player who breaches the Lacrosse SA Anti- Doping Policy will automatically be removed from the relevant team and will be replaced.

REPLACEMENT PROCESS

If a selected player is unable to continue or is removed as a representative of a zone team, the procedure for a replacement player is as follows:

- The Executive Officer will be consulted.
- Consideration will be given first to identified zone squad players.

- Consideration will then be given to other identified players from the selection process should this be necessary.
- The selectors will then fill this position with the player judged most suitable; possessing the required degree of skill and showing consistent performance.

TRAININGS

Squads are expected to train between selection and team departure. The Coach will liaise with the Team Manager, Lacrosse SA and any host club/s to arrange a training venue for the team. LSA pay venue hire fees to all Clubs for ground usage and to keep this to a minimum some trainings will be combined with other teams.

TEAM DISCIPLINE AND BEHAVIOUR

The behaviour and conduct of all team members must meet the Lacrosse Australia and Lacrosse SA Codes of Behaviour and conduct, as well as the National Integrity Framework. The Coach must be familiar with these documents.

All team members must adhere to the Players Codes of Behaviour, as well as the Lacrosse SA Member Protection Policy. Players and parents must be familiar with these documents. In the event of a team member breaching the code(s) and/or policy(s), due process must be followed (See Code of Behaviour) after which they may be expelled from the team and sent home at their own expense (if interstate) as soon as possible. The team member(s) in question must be reported to the Executive Officer.

POST TOURNAMENT

A Coach's report is due within 30 days of the conclusion of the Tournament (refer Appendix A).

OTHER

Any area not covered within this document for which assistance is required, or areas requiring clarification, the Coach is directed to contact the Executive Officer of Lacrosse SA.

TEAM MANAGER'S GUIDELINES

ADMINISTRATION

The Team Manager is required to assist the office to obtain from the coaching staff and the players or their parents (if under age) various documents. Any person who does not provide these documents within the agreed to time frame risks their position in the team.

REQUIRED DOCUMENTATION FROM TEAM MEMBERS

- Acceptance of Offer, Parents Consent & Local Games Qualification
- Code of Behaviour
- Image/Photograph Non-Consent
- Birth Certificates (underage teams)

ACCEPTANCE OF OFFER, PLAYER/PARENT ACKNOWLEDGEMENT, LOCAL GAMES QUALIFICATION, PAYMENT ADVICE

An invoice for Tournament will be sent out with the Selection Letter (or as soon as practicable after). All players will need to pay the invoice in full by the due date and no later than 14 days prior to the commencement of the Tournament.

The player/parent acknowledgement ensures that the player has accepted the offer to participate in the State or Zone team. If the acceptance letter is not returned by the due date and there has been no notification of acceptance/non-acceptance to the office by the player by the due date, the position may then be offered to someone else.

Player consent for senior players and parents' consent for junior players is also on the back of this form. This must be signed to say that either the players or parents agree to the following terms.

It is as Lacrosse SA Bylaw that a player must play a minimum of 4 games in a season. If the Tournament is played before the commencement of the season, players must sign this form agreeing that they will play the minimum 4 games in the upcoming season.

CODE OF BEHAVIOUR

The Code of Behaviour policies will be issued with the selection letters and must be signed by the player, parent/guardian and returned together with the acceptance form.

The Code of Behaviour Policies include:

- General Code of Conduct
- Player Code of Conduct
- Spectator Code of Conduct
- Parent/Guardian Code of Conduct
- Coach Code of Conduct
